

ICAME2026

April 20-22, 2026

Barcelona, Spain

2026 the 4th International Conference on Automation and Mechatronics Engineering (ICAME 2026) will be held during April 20-22 2026 in Barcelona, Spain.

ICAME

ICAME 2026 is sponsored by University of Derby, UK. The aim of this conference is to provide a forum for the presentation and discussion of emerging management engineering, software engineering and service sciences and for professional interactions. Additionally, it serves as a conduit for channeling advanced technology to the regional industry.

Important Dates

Submission Deadline	Notification Date	Registration Deadline
November 20, 2025	December 20, 2025	January 10, 2026

Topics

- Industry 4.0
- Mechatronics
- Robotic Automation and Control
- Computer Vision in Automation
- Fluid Dynamics
- AI-Optimized Motion Control
- Intelligent Automation
- Instrumentation and Control
- Smart Factories of Tomorrow
- Precision Mechanics, Mechatronics
- Operations Management
- System Dynamics and Simulation
- Imitation Learning
- Non-destructive Evaluation
- MEMS and Nano Technology
- Intelligent Systems

More Topics, please visit at: <https://www.icame.org/cfp.html>

Submission

- Full paper (publication and presentation)
- Full paper should be no less than 6 full pages
- Abstract (presentation only)
- Submit through the **Electronic Submission System**:

Proceedings

Submissions will be peer-reviewed and evaluated based on originality, relevance to conference, contributions, and presentation. Accepted full papers will be collected into ICAME 2026 Conference Proceedings, and submitted for indexing by **El Compindex**, **SCOPUS**, etc.

Note: Any paper which is accepted to the conference and is included in the final program is expected to be presented at the conference during its scheduled presentation date and time by at least 1 paper author.

Journal Recommendation

Papers accepted by ICAME2026 have the opportunity to be recommended to the following journal after expanding their new content by 35%: **International Journal of Mechanical Engineering and Robotics Research**

ISSN: 2278-0149 (Online)
Short Title: Int. J. Mech. Eng. Robot. Res.
Frequency: Bimonthly
DOI: 10.18178/ijmerr
Managing Editor: Ms. Jennifer Zeng
Abstracting/Indexing: ESCI (Web of Science), Impact Factor in 2024: 1.0), Scopus (Cite Score in 2024: 3.1), CNKI, Google Scholar, etc.

Conference Committees

International Advisory Committees

Gang-Len Chang, University of Maryland, USA
Teresa Zielinska, Warsaw University of Technology, Poland
Masafumi Miwa, Tokushima University, Japan

Conference Chair

Mahmoud Shafik, University of Derby, UK

Conference Co-chair

Alberto Abánades, Universidad Politécnica de Madrid, Spain

Program Chairs

Gheorghe-Daniel Andreescu, Politehnica University of Timisoara, Romania

Filippo Sanfilippo, University of Agder, Norway

Ke Li, Shandong University, China

Program Co-chair

Hicham Hadj-Abdelkader, University of Paris Saclay, France

Publicity Chair

Huosheng Hu, University of Essex, UK

Publicity Co-chair

Giuseppina Gini, Politecnico di Milano, Italy
